

**Dear Sponsors:**

The child who has approached you for sponsorship is participating in CORD USA Read-a-thon 2010 Campaign.

We request you to sponsor the child for the following reasons:

1. Illiteracy is an urgent and enormous problem in India. Literacy is the key to personal freedom.
2. CORD USA is a 501c(3) organization, committed to the task of developing Rural Areas in India by providing help in the areas of Education, Health, Sanitation, Women’s Empowerment, Infrastructure, and Financial Independence.
3. All the funds raised by children by reading in CORD Read-a-thon 2010 will be used for the purposes mentioned in Item 2 above. Please see <http://www.cordusa.org> for the comprehensive lists of programs and success stories of CORD which is actively changing lives for the better for the last 25 years.
4. By sponsoring this child, you are encouraging children here to develop an appreciation for reading, introducing them to the gift of giving and helping them to appreciate the excellent education available in the US.

**We thank you sincerely for your generosity.**
